28th September	Inner-healing work using the 4 doors/ 5 R's.
26th October	To be decided! (from topics including John Wimber's 5-step model, words of knowledge, deliverance and perseverance in prayer).
23rd November	To be decided! (if you have any requests, please let us know).

Our Aim:

Following a successful Healing Rooms training day in March, we are now working towards transitioning into creating a Healing Rooms centre for Llangollen later in the year - by providing various mini, 'pop-up' Healing Rooms combined with some further training sessions.

All are welcome to come join us for as many or few of the dates as you are able – the Healing Rooms ethos is to see Christians representing many churches working together to minister to the community.
